Action Date: February 2, 2022

SUBJECT: Community Study Session (Joint Workshop) with the City Council and Planning Commission

PRESENTED BY: Brent Gibbons, Mintier Harnish

SUMMARY: The City Council and Planning Commission will be holding a study session on the General Plan Update project. Every jurisdiction in California must have a General Plan, which is the local government's long-term framework for future growth and development. The General Plan represents the community's view of its future and contains the goals and policies upon which the City Council and Planning Commission will base their land use and resource decisions. This update includes updating the existing Land Use Element and Circulation Element. An overview of the General Plan Update will be provided as well as an opportunity for community input and participation.

FISCAL IMPACT: None.
